Athens Airways packs for all passengers

Athens Airways created 3 programs of prepaid tickets packs for each passenger up to their different needs. At the same time, the frequent flier program, **Athens Airways Flights and Bonus**, started offering lots of privileges to its members.

For the summer period (from 1/7 until 25/9) **Athens Airways Friends and Family** pack gives the possibility to a family or big company to travel with low prices while summertime, having special privileges and priority to their service and gaining at the same time more free tickets for their trips until 20/12/09.

The second pack is an **annual** program, for those who travel regularly and wish to travel with **low prices throughout the year**. The passenger selects among three graduated programs (Benefit, Flexi for Two, Advance for Two) ensuring **50 one way or 25 round trip** tickets and unique privileges for him- or herself and for another passenger.

The third pack is addressed to **companies**, whose executives travel a lot on annual basis. Providing the possibility of creation the wished ticket and fare combination, depending on the needs of the company and the number of its regular fliers, Athens Airways creates the ideal ticket pack, with a wide range of corporate benefits throughout the year!

Finally, **Flights and Bonus** program of Athens Airways, gives the possibility of gaining extra tickets even from the first trip. At the same time, if you are a holder of a silver or a golden card of a frequent traveler program of another airline, Athens Airways allows the registration at the corresponding category, giving you the opportunity to enjoy special privileges and gifts.
